

Department of Energy

§ 1008.23

whom it asks to supply information, on the form or other means by which it uses to collect the information, or on a separate form that can be retained by the individual, of the following:

(1) The authority (whether granted by statute or by Executive Order of the President) that authorizes the solicitation of the information and whether the provision of such information is mandatory or voluntary;

(2) The principal purpose or purposes for which the information is intended to be used;

(3) The routine uses that may be made of the information, as published in the FEDERAL REGISTER pursuant to the requirements of the Act; and

(4) The effect on the individual, if any, of not providing all or any part of the requested information.

§ 1008.22 Use and collection of social security numbers.

(a) The System Manager of each system of records which utilizes social security numbers as a method of identification without statutory authorization or authorization by regulation adopted prior to January 1, 1975, shall revise the system to avoid future collection and use of the social security numbers.

(b) Heads of Headquarters Divisions and Offices and heads of the other DOE locations shall insure that employees authorized to collect information from individuals are advised that individuals may not be required to furnish social security numbers without statutory authorization, and that individuals who are requested to provide social security numbers voluntarily must be advised that furnishing the number is not required and that no penalty or denial of benefits will flow from the refusal to provide it.

§ 1008.23 Public notice of systems of records.

(a) The DOE shall publish in the FEDERAL REGISTER at least annually a notice of the existence and character of each of its systems of records, which notice shall include:

(1) The name and location of the system;

(2) The categories of individuals on whom records are maintained in the system;

(3) The categories of records maintained in the system;

(4) Each routine use of the records contained in the system, including the categories of users and the purpose of such use, subject to paragraph (d) of this section;

(5) The policies and practices of the DOE regarding storage, retrievability, access controls, retention, and disposal of the records;

(6) The title and business address of the DOE official who is responsible for the system of records;

(7) The DOE procedures whereby an individual can be notified at his request if the system of records contains a record pertaining to him;

(8) The DOE procedures whereby an individual can be notified at his request about how he can gain access to any record pertaining to him contained in the system or records, and how he can contest its content; and

(9) The categories of source of records in the systems.

(b) Notwithstanding the requirements of paragraph (a) of this section, the notice of systems of records shall not necessarily include the information in paragraphs (a) (7) through (9) of this section if DOE has claimed a general or specific exemption from the requirements of the Act, as provided in § 1008.12.

(c) Copies of the notices as printed in the FEDERAL REGISTER shall be available at the DOE locations listed at § 1008.2(c). Requests by mail for copies of such notices should be sent to Privacy Act Officer, Headquarters, U.S. Department of Energy, Washington, DC. 20585. The first copy will be furnished free of charge. For each additional copy, the costs of printing and handling may be charged.

(d) DOE shall publish in the FEDERAL REGISTER notice of any new routine use or intended routine use of a record in the system of records, at least 30 calendar days prior to the implementation of any new routine use of a record in a system of records, or at least 30 calendar days prior to publication of the annual notice of such routine uses, as

§ 1008.24

provided in paragraph (a) of this section, an opportunity for interested persons to submit written comments consisting of data, views, or arguments regarding such use to DOE, shall be provided.

§ 1008.24 Criminal penalties—failure to publish a system notice.

Subsection (i)(2) of the Act provides that an agency officer or employee who willfully maintains a system of records without publishing a system notice as required by subsection (e)(4) of the Act shall be guilty of a misdemeanor and fined up to \$5,000.

§ 1009.1 Purpose and scope.

(a) This part establishes Department of Energy policy for establishing prices and charges for Department materials and services sold to organizations and persons outside the Federal Government.

(b) This part applies to all elements of the Department except the Federal Energy Regulatory Commission.

§ 1009.2 Definitions.

For the purposes of this regulation:

(a) *Allocable cost* means a cost allocable to a particular cost objective (i.e., a specific function, project, process, or organization) if the costs incurred are chargeable or assignable to such cost objectives in accordance with the relative benefits received or other

10 CFR Ch. X (1-1-04 Edition)

equitable relationships. Subject to the foregoing, a cost is allocable if:

(1) It is incurred solely for materials or services sold;

(2) It benefits both the customer and the Department in proportions that can be approximated through use of reasonable methods, or

(3) It is necessary to the overall operation of the Department and is deemed to be assignable in part to materials or services sold.

(b) *Byproduct material* means any radioactive material (except special nuclear material) yielded in or made radioactive by exposure to the radiation incident to the process of producing or utilizing special nuclear material.

(c) *Charges* means an accumulation of job related costs for materials and services sold by the Department.

(d) *Commercial price* means the price that a willing buyer is currently paying or would pay a willing seller for materials and services in the market.

(e) *Direct cost* is any cost which can be identified specifically with a particular final cost objective.

(f) *Full cost* includes all direct costs and all allocable costs of producing the material or providing the service consistent with generally accepted accounting principles. Direct costs and allocable costs may include, but are not limited to, the following cost elements:

(1) Direct labor.

(2) Personnel fringe benefits.

(3) Direct materials.

(4) Other direct costs.

(5) Processing materials and chemicals.

(6) Power and other utilities.

(7) Maintenance.

(8) Indirect cost, i.e., common costs which cannot be directly assigned to specific cost objectives and are therefore allocated to cost objectives in a systematic cost allocation process.

(9) Depreciation which includes depreciation costs that are directly associated with facilities and equipment utilized, and allocated depreciation costs for support and general facilities and equipment.

(10) Added factor includes general and administrative costs and other support costs that are incurred for the
